

Winter 2009

DEADLINE: December 18, 2009

Dear Advertiser:

The Plano Senior High School Theatre Booster Club is offering advertising space in its production programs. The Theatre Department will present two remaining productions for the 2009-2010 school year:

January 14-16, 2010

March 24, 2010:

Musical: "Side Show"

UIL One-Act Play: Title TBA

These productions will be well publicized. Your ad will run in both programs.

Revenue from ad sales is used to enhance the quality of the productions (technical assistance, equipment, etc.), which in turn provides a better learning opportunity for the students. Your purchase of a program ad not only will promote your business to a broad spectrum of students, parents and community supporters, but it will also announce to the community that you support our schools and the arts.

A contract and pricing information is attached. Thank you for your consideration.

Sincerely,

David Hughes
